

Grill One Eleven and Marinades Pizza Bistro: Two Great Restaurants with a Unique Twist on Authentic

Aaron and Amy Zainea are the proud owners of two great restaurants located next door to each other on Courtland Street in downtown Rockford: Grill One Eleven and Marinades Pizza Bistro. Serving West Michigan for the past 17 years, the dining experience at their restaurants will have you coming back time and time again. Their hospitality will always include a clean, casual, and classy atmosphere, providing excellent service, small-town charm, and the highest culinary food and beverage quality at a realistic value.

Grill One Eleven serves chef-inspired seasonal menus with eclectic items cooked over a wood-fired grill. Open for lunch and dinner, the restaurant can be described as smart casual with a spacious indoor dining area plus an outdoor patio and veranda overlooking the town. Ingredients are always fresh, sourced from local farms and fresh fish is flown in daily. Large party accommodations are available. “We have live music here every Friday night and after the Rogue River Blues on Tuesdays plus the second Saturday of every month,” said Aaron.
